

# 60L Wheelie Bin with Extendable Handle

is suitable for an amazing number of applications:

- Hygiene waste disposal
- Food waste collection
- Apartment blocks or housing areas
- Areas with limited space
- Commercial kitchens
- Large office blocks

Option Available  
Handsfree Lid Lifter  
via Foot Pedal

Wheelie Bins fitted with foot-operated Lid Lifter allow bins to be opened and closed hands-free. The bins are ideal for areas where an increased level of hygiene is required. Think of industries such as hospitals, food processing (including commercial kitchens), medical (including pharmaceutical manufacturers and pathological waste) and abattoirs.

- Battery disposal
- Glass collection
- General storage
- General waste
- Clinical waste
- Hospitality

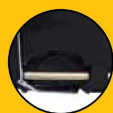

## Extendable handle;

Extends the handle to a height of 883mm, ensuring maximum comfort as the user is not required to bend over when wheeling the bin. Handle can also be folded forward to hold the lid shut

Latch for extendable handle;  
Locks the handle in upright position for easy manoeuvrability

Modern, streamlined lid;  
Allows for increased customisation area

Optional gravity latch;  
Secures the lid shut when sitting vertical and automatically unlatches when tilted to a 90 degree angle, during emptying

Footstep at rear of bin;  
Allows the bin to be easily tilted for wheeling

## 200mm wheel;

For increased stability during manoeuvring. Rubber tyres reduce noise when wheeled.

## Flat surface;

For the application of customer markings including hot stamping and labels

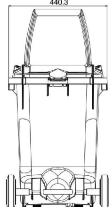

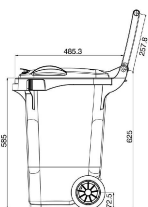

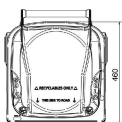

## Colours

■ Standard colours: black, nature green, dark green, grey

## 60 litre Wheelie Bin with Extendable Handle

- Weight: 6.44Kg
- Volume: 60 litres
- Max Load: 24kg
